NEWS RELEASE

**Huntsville International Airport Provides
Holiday Tips for Travelers**

- Airlines at Huntsville International Airport recommend arriving 1 hour to 1 1/2 hours prior to your scheduled departure time for domestic travel and 2 hours prior to your scheduled departure time for international travel. ***Note that peak travel times at Huntsville International Airport include the early morning hours on Monday and the afternoon hours Thursday and Friday. Passengers are encouraged to allow extra time during peak travel times.
- A government issued photo ID is required at check-in and security checkpoint. Boarding passes are required to enter security checkpoint. Check in online, prior to arrival at the airport, or at the ticket counter or e-ticket machine the day of departure.
- Travelers that are being dropped off or picked up at the airport may use the 10-minute "waiting spaces" that are provided free of charge for these customers and vehicles must be attended at all times while in a 10-minute waiting space. However, due to construction, the spaces are limited and customers are encouraged to use the parking deck. Parking is free for 30 minutes. We encourage motorists to meet arriving passengers on the ground level of the parking deck for ease of pick-up and exit.
- Review your airline baggage fees, weight limits and processes in advance. All airlines do not have the same policies.
- Do not pack valuables in checked luggage – i.e. cameras, iPods, jewelry, and other electronics.
- For a complete list of items prohibited from either carry-on or checked baggage, please visit the TSA online at www.TSATravelTips.us.
