NEWS RELEASE

Port of Huntsville Announces the Release of Fiscal Year 2010 Annual Report

HUNTSVILLE, Ala., Oct. 12, 2010 – The Port of Huntsville is pleased to release its annual report for fiscal year 2010 (July 1, 2009 – June 30, 2010). The report highlights the activities and operations of the three main operating entities of the Port of Huntsville – Huntsville International Airport, International Intermodal Center and Jetplex Industrial Park.

The mission of the Port of Huntsville is to provide multi-modal transportation services to a diverse regional customer base and to stimulate the economic growth and development of the Tennessee Valley region.

According to Bill Johnston, Jr., Chairman, Board of Directors, Port of Huntsville, “During the 2010 fiscal year, the Port of Huntsville celebrated many accomplishments – from expanded operations involving maintenance, repair and overhaul at the International Intermodal Center to new construction, including the grand opening of the public waiting area, which will position the airport to serve the current and future needs of our community with its continued growth from the Base Realignment and Closure (BRAC) initiative.”

Rick Tucker, Executive Director, Port of Huntsville, added, “Among our proudest accomplishments during the 2010 fiscal year was the introduction of AirTran Airways as the Tennessee Valley’s new low-cost carrier, which was the culmination of many years of hard work and dedication to help bring more competitive airfares to our community.”
